## Protocol

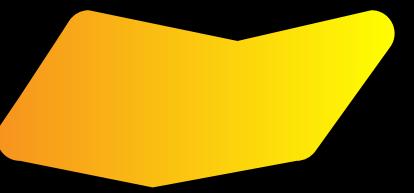

Education, Creator and Social Protocol for web3

# Empower Tutors

# Assure Students

# Thrive Education

Through Web3

Online Course -> NFT

Learn3 is the next generation Web3 education NFT protocol  
that makes each online course an NFT collection. To enroll in  
the courses on the platform, students need to mint an NFT.

The course ownership can be resold, refunded in a timespan,  
shown as profile picture on ENS, etc.

# Features

**Unlockable Content**

**Secondary digital content marketing**

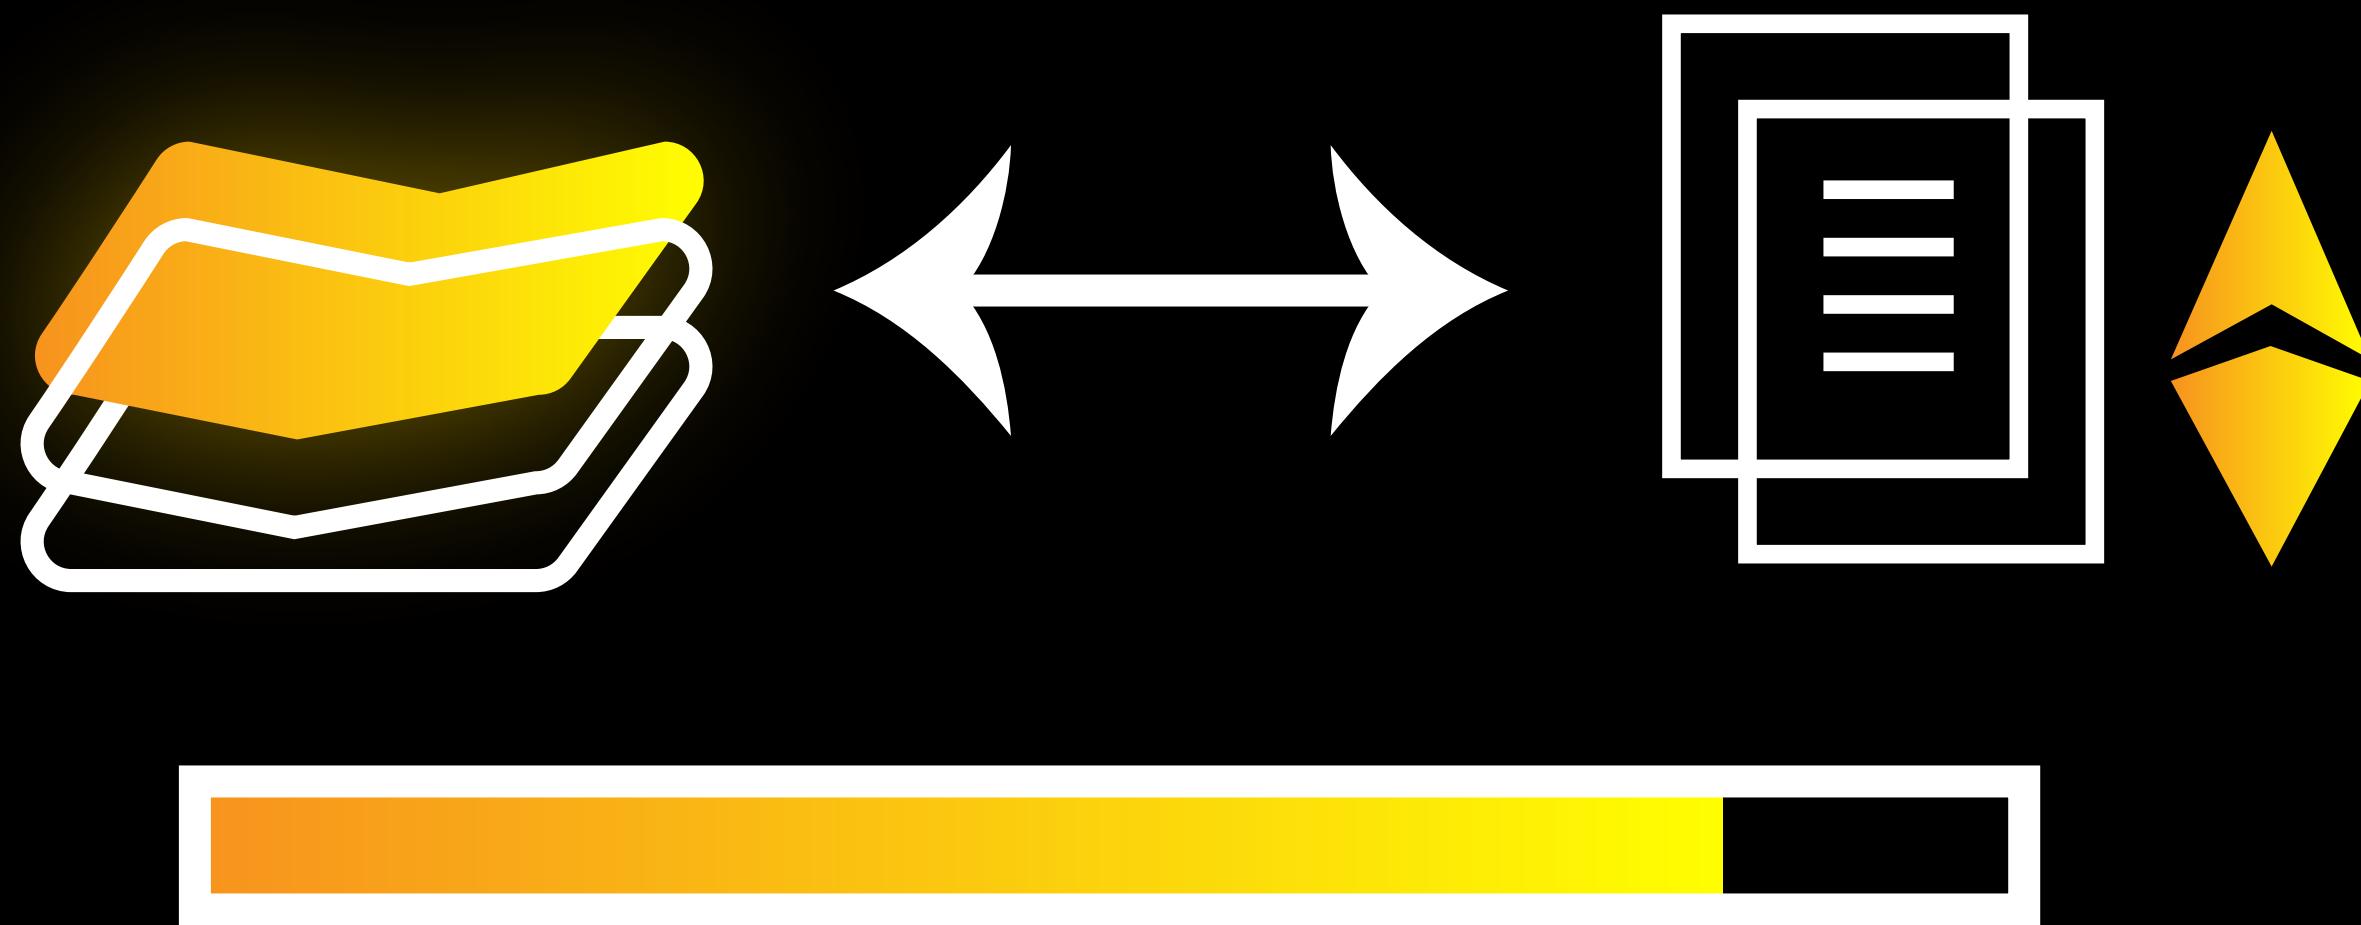

**Crowd Online course funding**

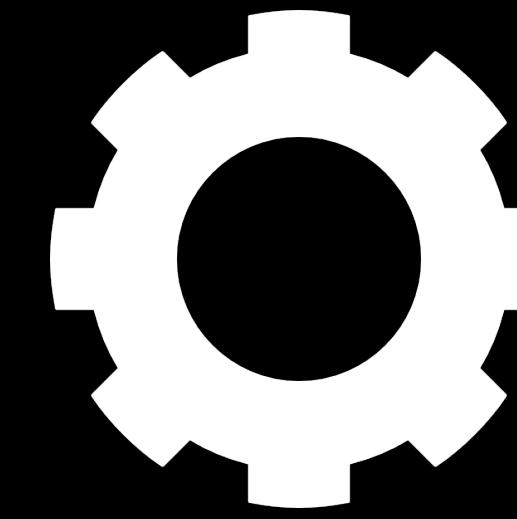

**Web3 Interest Group**

**Reward-offer Q&A board**

**Course refund mechanism**
